IMPORTANT NOTICE

The one year service warranty, as described above, terminates this month. With your payment you may continue this protection for another year. Please call us to schedule your annual inspection. Unless renewed for an additional year, by payment of the amount shown on this invoice, your warranty will expire on the expiration date indicated above.

AGREEMENT

1. This agreement protects the above mentioned property, which shall not include any detached garages, fencing, or any other out building.
2. Should infestation occur, the Contractor will promptly effect, without further charge, such chemical applications, as may become necessary to control the activity which may become evident in the property (as it now exists); provided it receives notice of the same from you, or as a result of it's voluntary inspection, hereinafter referred to, on or prior to one year from the expiration date.

This Warranty is transferable to any subsequent owner of the property during the life of this Warranty.
